SENIOR CLASS
PRESENTS
THE
SWIRL

DOVER HIGH SCHOOL, DOVER, OHIO

FOREWORD

It is the privilege of the 1953 graduating class of Dover High School to present this edition of the Swirl.

As we pondered upon a theme to carry through our yearbook, we were aware of the numerous decisions we faced at the various CROSSROADS OF LIFE. Through the help of our ministers, our parents, our teachers, and our friends, we are guided toward the right choice of the road to follow.

In our book we have attempted to show the paths that the students of Dover High have followed during this year. A choice of paths is made as we choose our friends, our course of study, our extra-curricular activities, our sports, and our musical organizations.

When we, the Seniors, leave our Alma Mater, it will be with the realization that we have not finished making decisions, and that we will constantly be at the CROSSROADS, hoping for the wisdom and wise judgment necessary to choose the right path.

Some of our thoughts are described by Robert Frost in "The Road Not Taken":

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler. Long I stood
And looked down as far as I could
To where it bent in the undergrowth;
Then took the other, as just as fair,
Because it was grassy and wanted wear.

I shall be telling this with a sigh,
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

DEDICATION

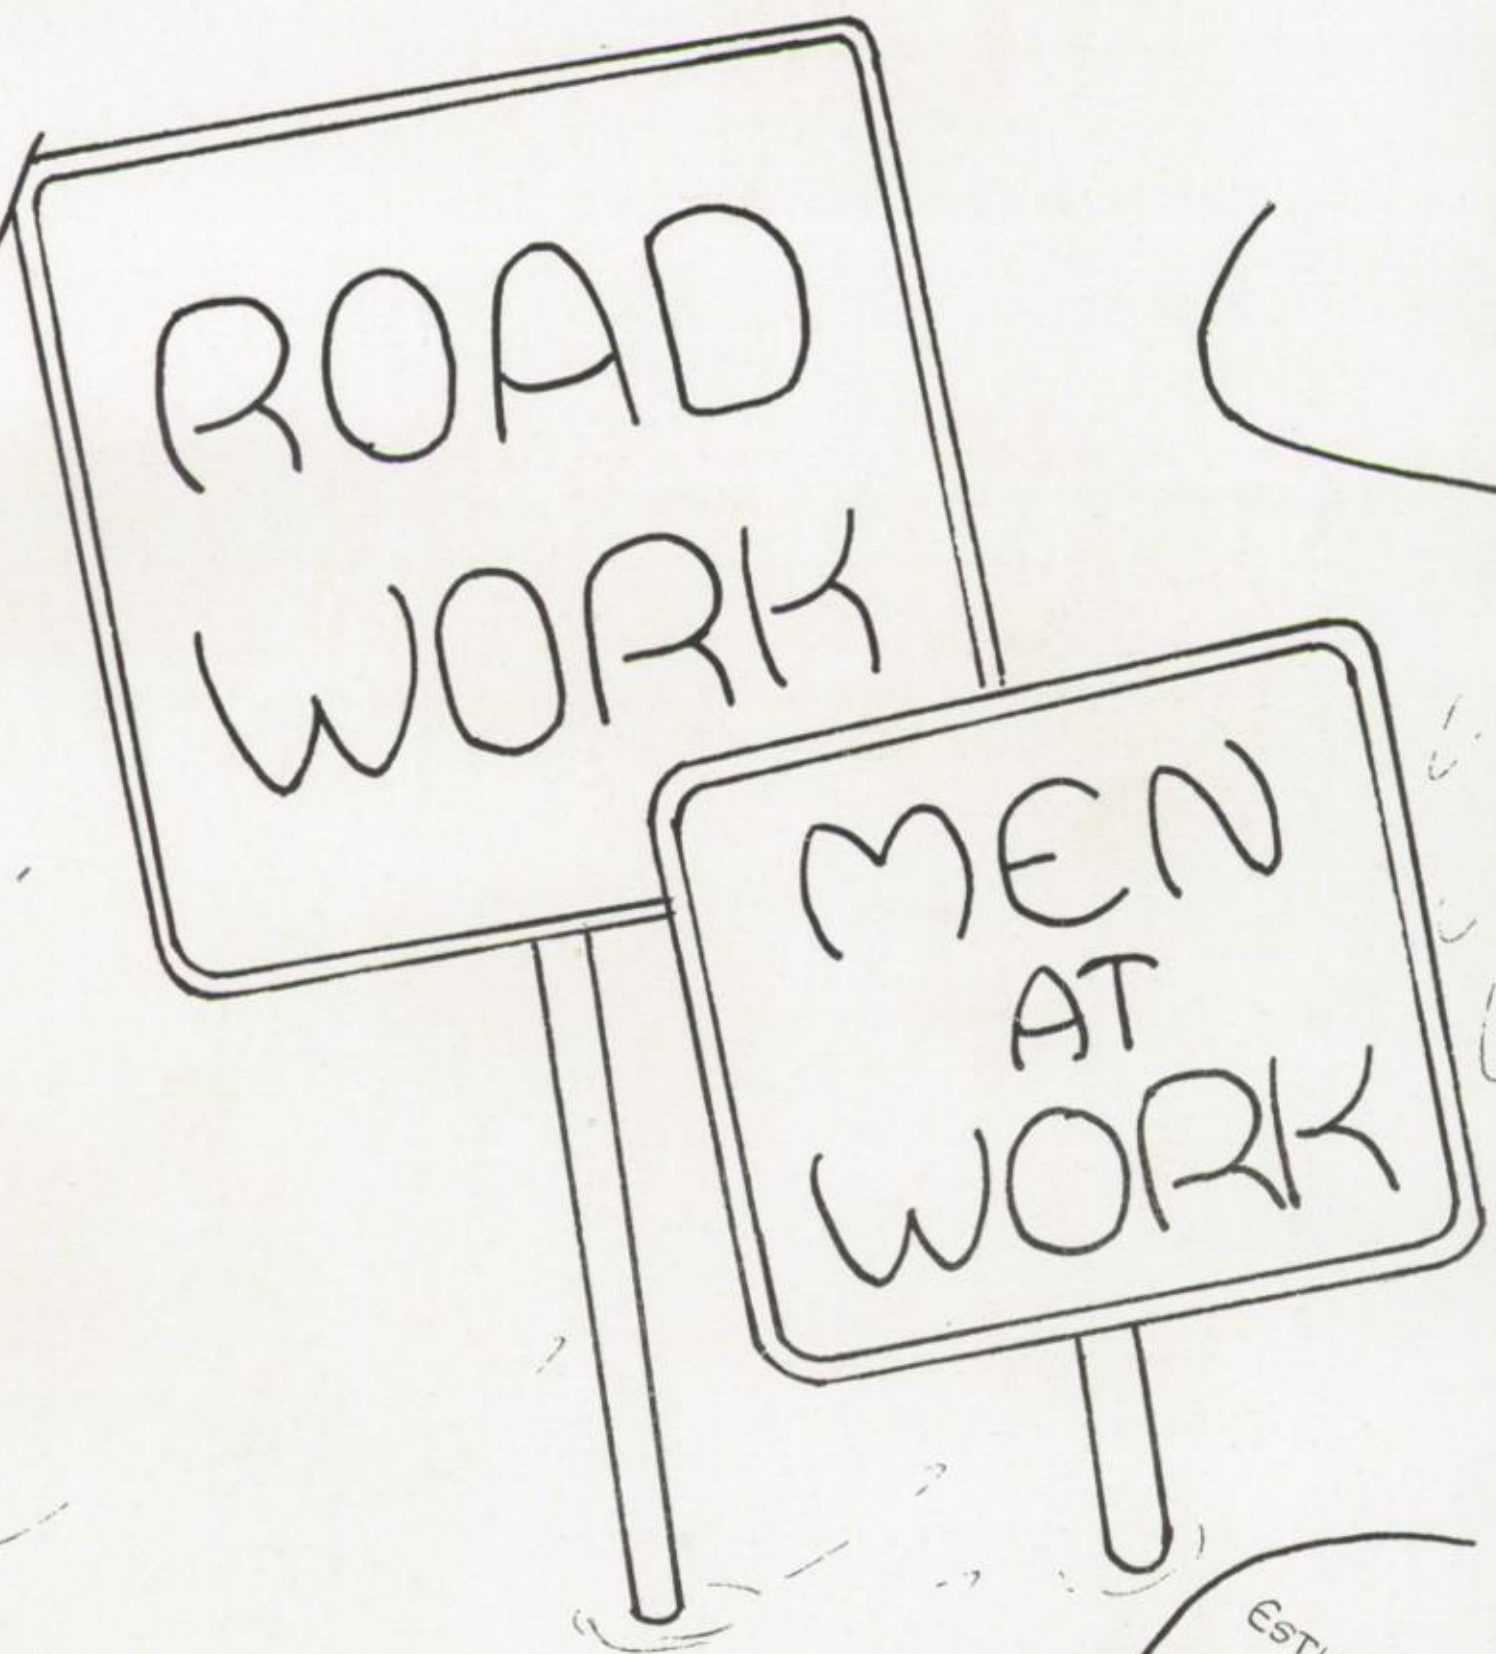

Too often do we choose our paths, make our decisions, and do the things that mold our future, oblivious of the many forces that influence our choices.

Only time can bring us comprehension of the significance of our high school days; only later will we see, with clarity, our sojourn today as a pause at the CROSSROADS OF LIFE. The fruition for our hopes for happy, useful, and respected adulthood will be dependent upon the wisdom of our decisions here at the CROSSROADS.

Even now we are grateful for the many wholesome influences blending with the purpose of the school in its efforts in our behalf. It is with this spirit, "God first; others second; self last," that we dedicate the Swirl of 1953 to the CHURCHES OF OUR COMMUNITY.

ADMINISTRATION

The opportunities that exist in Dover High School are the result of many factors. The foresight, planning and administration of our school policies are inter-related responsibilities of the faculty, the administrative offices and the Board of Education.

These people attempt to incorporate the finest of the community ideals, and the best in educational procedures in the offerings of Dover High School. These efforts are devoted to the end that our experiences, and decisions at the CROSS-ROADS be wise ones.

Pat Feutz has proven herself worthy of the honor of representative senior, because she is a leader both in the classroom and in extra-curricular activities. When a Junior, Pat served capably as president of the Junior Red Cross. In the same year she was elected to the National Honor Society and to represent her class at Buckeye Girls' State, which she attended the following summer. This year she is a business manager of the annual.

Danny Groh, as president, led his class through a successful Junior year. In the music department Danny is well-known, for he sings in the A Cappella Choir and is a member of the band and orchestra. Danny is a member of the Senior Hi-Y and enjoys participating in the boys' intramural activities.

We wish Pat and Danny the best of luck in the future and we hope that at the CROSSROADS OF LIFE they will continue their choice of wise decisions as they did in Dover High School.

Final score: Dover 14—Lancaster 25.

CHILLICOTHE—Oct. 10. The Tornadoes finally displayed their true form to take their first C.O.L. victory before their dads at Crater Stadium. Dover's backs and defensive linemen completely outclassed the Cavaliers from Chillicothe. Ellwood, a stellar performer all year, shown brilliantly in this game. Final score: Dover 21 Chillicothe 6.

DAD'S NIGHT

MARIETTA—Oct. 27. Showing their best offensive splurge of the season, Dover breezed to an easy victory over the Tigers from Marietta. Dover completely overpowered the Tigers as they amassed 350 yards net gain to only 147 for Marietta. Final score: Dover 38—Marietta 7.

NEWARK—Oct. 24. Overcoming a 10-year jinx and 10 fumbles, the Tornadoes posted their fifth victory of the season. After a slow first half which saw Dover behind 14-13, the Tornadoes reversed themselves and poured on the pressure. The powerful running of Kreighbaum was brilliant. It was also a great team victory. Final score: Dover 41—Newark 14.

COSHOCTON—Oct. 30. A very spirited Coshocton Redskin team invaded Crater Stadium with the idea of winning. Striking instantly, they gained a 14-0 advantage at the end of the first half. However, the offense began to work as the defense held Coshocton the second half. The line play of Center Jerry Murphy

was outstanding after replacing our regular stellar center, John Crowl. Final score: Dover 20—Coshocton 14.

CAMBRIDGE—November 7. Invading the lair of the Guernsey County Bobcats proved to be disastrous for the Tornadoes. Cambridge displayed the razzle-dazzle which carried them to the C.O.L. championship. In going down to defeat, the running of Jones and the defensive play of Goodrich was impressive. Final score: Dover 7, Cambridge 26.

NEW PHILADELPHIA—November 14. Before 7000 screaming fans at Quaker Stadium, the Tornadoes made a gallant comeback to tie the Quakers. Nearly everything possible happened on the gridiron, including a complete blackout. Although the game ended in a deadlock, much praise should be given to Dover's defensive team. Final score: Dover 13, New Philadelphia 13.

TRACK

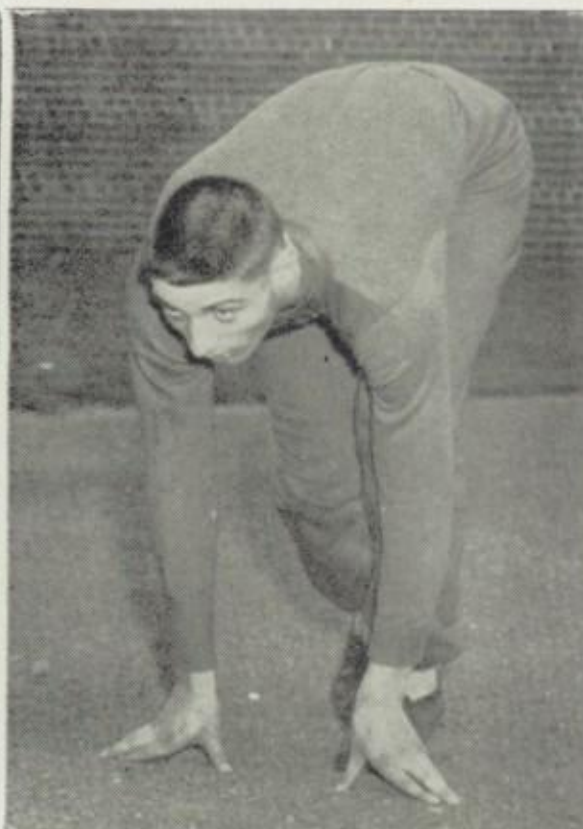

In the spring of 1952, 35 boys met head coaches Harold Ramsey and Tom Armstrong for the latest edition of the Dover High School track team. This was one of the best turnouts in recent years. The nucleus of the squad was formed by Jim Carrico, Jake Lengler, Tom and Frank Ellwood, Glenn Goodrich, Dick Jennings, Jim Murphy, Jerry Kreighbaum, and John Crowl.

Jim Carrico was Dover's outstanding thinclad of 1952. He not only won all his dual meets, but when the District Track Meet was run off, he captured first place in the 100-yard dash and second place in the 220-yard dash. He ran anchor man on Dover's mile relay team which took second berth in the district run off. The other boys who helped in the mile relay were Jake Lengler, Sonny Hess, and Frank Ellwood.

The following week these boys traveled to the State Meet at Columbus. Although the relay team did not place, Jim Carrico was a standout and an excellent representative of Dover High School. After winning his qualifying runs, he placed fourth in the finals of the 100-yard dash.

The track team had one of its best records in recent years including wins over New Phila, Uhrichsville, and Cambridge.
